eat local

Support your local food producers while enjoying
your favorite Southside specialties. Whenever
possible, we use produce from local farmers,
bringing you the best our area has to offer. We
also carry many desserts baked fresh locally!

We pride ourselves in making all our food as
from-scratch and to-order as possible.
This means our food may take longer, especially
when we are very busy. We thank you for your
patience and encourage you to have a drink at the
bar or order an appetizer while you wait. Calling
ahead for large parties or to-go orders also helps
us serve you faster.
